Mayor Nathan Robertson et al
City of Ely
Ely, NV 89301

June 23, 2021

Dear Mayor Robertson, Fire Chief Stork, NNRy President Bassett, Director Mudd,

It is with a heavy heart that I tender my resignation from the Ely City Council effective July 1, 2021. I will be relocating to a new home that is just the slightest bit outside of the city limits, precluding me from continuing on with the council. With this will come my resignation as the Ely City Fire Department Liaison, a Nevada Northern Railway Director, and Board Member of the Northern Nevada Regional Development Authority. I have truly enjoyed my time with all these organizations and have found the work we have done to be truly rewarding.

Thank you all for the opportunity to serve alongside you. All the best in the future!

Warm Regards,
K Michelle Beecher
