RE: Traffic Study Park Ave & 12th Street East

FR: Sheriff Scott Henriod

On August 21, 2021 through August 27, 2021 the White Pine County Sheriff's Office deployed its speed trailer at the intersection of Park Ave and 12th Street East, located in the City of Ely. This was done as directed by the Ely City Council to conduct a traffic study for that location. During this period of time, 927 vehicles traveled through this intersection. The speeds recorded were not excessive and the volume of traffic was slightly above moderate. Checking the Sheriff's Office Records Management System I did not locate any vehicle accidents at that intersection in the last year. I have attached a copy of the results for your review. After observing the intersection, I would recommend a yield sign be placed at this intersection.

Respectfully,

Sheriff Scott Henriod
