Project Description

The BLM Ely District is preparing an environmental impact statement (EIS) for the Bald Mountain Mine Plan of Operations Amendment. Juniper Project proposed by applicant KG Mining (Bald Mountain) Inc. (KG-BMI). The Juniper Project would modify and expand operations on BLM-administered lands within the North Operations Area (NOA) of the existing Bald Mountain Mine, resulting in approximately 2,980 acres of new surface disturbance and acquisition of the NOA mine site by 11 years. KG-BMI has also submitted an application to the U.S. Fish and Wildlife Service for an eagle take permit associated with KG-BMI's mining operations at the Bald Mountain Mine.

What's New

Publication of a notice of availability (NOA) for the draft EIS in the Federal Register on August 13, 2023, initiates a public comment period that extends through October 5, 2023.
