Fax (775) 289-1463

## **Assistance for Businesses Affected by Utility Interruptions Due to Construction Activities**

**To be eligible for program business must have experienced two or more days of utility interruption.**

**Application is not a guarantee of funds.**

**The City of Ely will only consider verified impacts over and above a difference of 15% between quarters.**

- Please list dates for which your water service was shut off and which dates your business was closed.

---

---

- What measures, if any, did you take to minimize losses due to the service interruption?

---

---

---

- Is your business current on its utility bills? Yes / No

- Does your business have a current Business License with the City of Ely? Yes / No

- Please provide a letter of denial from your business insurer for coverage for losses due to utility service interruptions.

- Please provide total gross revenue for Quarter 1 of 2025 (January-February-March) and separately provide the gross revenue for Quarter 2 of 2025 (April-May-June). Gross revenue figures will need to be verified by bank deposits that you will need to attach to the application.
