Building Official / Inspector

FLSA Status: Exempt

Created: 10/2020

Safety Sensitive: Yes

Last Revised: 08/16/2023

DEFINITION: The CITY BUILDING OFFICIAL / INSPECTOR plans, organizes, coordinates and performs Building Department activities which include building permit processing, plan reviews, preparing reports, correspondence, performing technical building inspection work to ensure construction and materials conform to approved plans, local zoning, building, fire, plumbing and mechanical codes. Works with developers, superintendents, and contractors to maintain code requirements and resolve problems relating to code compliance for commercial, industrial, and residential buildings.

DISTINGUISHING CHARACTERISTICS: This is both an administrative and field inspector journey level position who is fully competent to independently perform the full range of duties. Instruction and direction are received only when new or unusual situations arise.

ESSENTIAL FUNCTIONS: *(Performance of these functions is the reason the job exists. Assigned job tasks/duties are not limited to the essential functions).*

- Inspects commercial and residential buildings during various stages of construction and remodeling to ensure compliance with applicable building codes, ordinances, and regulations.
- Inspects foundation, concrete, steel, masonry, wood construction, framing, plastering, and a large variety of other complex and routine architectural and structural system elements.
- Inspects footings and grout for block walls and retaining walls.
- Confers with and provides information to developers, engineers, architects, property owners, and others regarding code requirements and alternatives and organization policies and procedures wherever possible.
- Inspects fire-damaged property for structural safety.
- Conducts examination of plans and specifications of new construction, additions, and alterations to residential and commercial buildings to determine compliance with the provisions of applicable construction codes, ordinances, and regulations.
- Inspects swimming pools and spas for steel, plumbing, gas, and electrical installations.
- Investigates complaints of existing buildings to determine appropriate usage and if hazardous or life safety conditions exist.
- Issues notices to comply when violations are identified.
- Maintains records of history of facts for possible legal actions.
- Maintains files and reports regarding inspection and plan check activities and findings.
- Attends and participates in meetings.
- Stays abreast of new trends and innovations in the field of building inspections.
- Develops and maintains knowledge of construction technology, methods, and materials.

The City of Ely is an equal opportunity provider and employer.

- Performs administrative duties when needed, which include assisting customers at the counter, issuing permits, answering phones, scheduling inspections, typing correspondence and reports, filing and general office duties.
- Coordinates reviews with other City Departments

QUALIFICATIONS FOR EMPLOYMENT:

Knowledge, Skills, and Abilities: (KSAs are the attributes required to perform a job; generally demonstrated through qualifying experience, education, or training.)

Knowledge of:

- Complex principles and techniques of building inspection and plans examining work;
- Building-related codes and ordinances enforced by the city;
