

**Attention White Pine County CWMA Members!**  
 Eastern Nevada Landscape Coalition and Tri-County Weed Control  
 are offering **\$600** for **herbicide and weed treatments**  
 to Cooperative Weed Management Area participants.

To be eligible for the US Forest Service grant funding, your property must be in at least one of the White River, Steptoe-Butte, Spring, and Snake Valley CWMA's and fall within White Pine County.  
 (pink area on map)

If you are not a member and you own or manage property in one of these CWMA's,  
 it's a good time to join!

Let's help each other control the spread of noxious and invasive weeds!  
 Please call or stop by our offices for more information.
