City of Ely Statement on Representative Amodei's Appointment to Chair of House Appropriations Subcommittee

The City of Ely congratulates Congressman Amodei on his recent appointment to Chairman of the Legislative Branch Subcommittee on the House Committee on Appropriations.

"The City of Ely is grateful for Congressman Amodei's advocacy on behalf of our community. We wholeheartedly congratulate him on his historic appointment, and we look forward to working with him and his office on behalf of Ely residents in the 118th Congress," said Mayor Nathan Robertson.

Congressman Amodei is the fourth Nevadan to serve on the House Committee on Appropriations since Nevada gained statehood, and the third Nevadan to ever chair one of its Subcommittees. The Appropriations Committee oversees discretionary federal spending, while its Legislative Branch Subcommittee has jurisdiction over various aspects of Congress' operations, which include the Capitol Police, Library of Congress, Congressional Budget Office, Government Accountability Office, Architect of the Capitol, and the House of Representatives.
