Ely, Nevada – May 5, 2025 – Press Release

The City of Ely had it's first of three community clean ups on May 3, 2025. The area cleaned up was on the perimeter of the lots near McDonalds and the Post Office. There were eight (8) people that volunteered with twenty 30-gallon bags of trash hauled off and miscellaneous tires, wood, and debris. The next two Saturdays (May 10th and 17th) you still have an opportunity to make a difference. Meet at 8:00 A.M. on the City of Ely Firehouse lawn located at 1780 Great Basin Boulevard, for this much-needed community event.

The City of Ely is an equal opportunity provider and employer.
