Ely, Nevada – May 3, 2021

Vandals inflicted major damage to the Broadbent Park restrooms and equipment this past weekend; the perpetrators ruined two doors, severely bent backstops used nightly by Little League, Softball and Youth Soccer and sprayed obscene graffiti throughout the building. The White Pine County Sheriff's Office is investigating the incident. The City of Ely is currently renovating these restrooms using a White Pine County Tourism and Recreation grant and Redevelopment Area monies in order to enhance Broadbent Park for the upcoming Vietnam Wall Memorial display, which is expected to bring many Veterans to Ely this June.

Michelle Beecher
Mayor Pro Tem City of Ely
