## **Ely, Nevada – March 14, 2022**

The City of Ely applauds Congress and our Congressional delegation for the passage of the Fiscal Year 2022 omnibus appropriations bill.

Included in this legislation is a Community Project Funding (CPF) request for \$3.3 million, submitted on behalf of the City by Senator Cortez Masto and Senator Rosen for the Central Ely Sewer Upgrade project.

The City is incredibly grateful for the tireless efforts of Nevada's Senators as they and their staff advocated for this critical infrastructure improvement to be included in this bill as the City's first-ever CPF request.

Through this newly available federal funding, the City will be able to make much needed repairs to the Central Ely sewer system with minimal financial impact on City residents.

The City of Ely looks forward to continuing the dialogue with its federal legislators on the Central Ely Sewer Upgrade project and other infrastructure investment needs in the future.

**Nathan Robertson**  
**Mayor City of Ely**
