2. PUBLIC COMMENT

George Chachas stated ongoing concerns regarding public information requests for the Nevada Northern Railway’s financial information; the 490’ pipe from the Murry Street project; the \$16,000.00 upgrade from Love’s to the Charter School area; in-house utility billing; and the City needing to hire someone with a bachelor’s degree in accounting.

Jed Peeler stated I’m the Chairman of the Planning Commission and George keeps bringing up our policies. We rent our building from people in Las Vegas; I can’t see what we’re doing wrong. I’m bringing business here and getting insulted every time we have a meeting. We should bring business here

rather than discourage it. In spite of my illness, we're doing better than ever. We're the only manufacturing plant here.

Paula Carson stated I would like to thank Mr. Alworth for putting the white top problem on the next agenda; I think a lot of people are not educated. Mr. Chachas and his family are in blatant violation of City Code where it's zoned single family residential.

3. ITEM FOR DISCUSSION ONLY OF THE ELY CITY COUNCIL.

1. Mayor Robertson – Nevada Commission on Ethics Executive Director Yvonne Nevarez-Goodson, Esq. – **Discussion Only** – Nevada Ethics in Government Law Training presentation.
