## DEVELOPMENT AGREEMENT

This DEVELOPMENT AGREEMENT (this “**Agreement**”) is entered into as of July 11, 2016, by and between the Nevada Northern Railway Foundation, Inc., formerly known as White Pine Historical Railroad Foundation, Inc., a Nevada non-profit corporation (the “**Foundation**”) and the City of Ely, a Nevada municipal corporation (the “**City**”).

### RECITALS

WHEREAS, the Foundation has been organized and operated as a Nevada non-profit corporation for public benefit and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and its primary activities include the operation of the southern portion of the Nevada Northern Railway as a historic railway museum for the benefit of the general public.

WHEREAS, the Foundation and the City are joint owners of certain assets that are used in the operation and conduct of the Foundation’s business, including certain assets used in the historic railway museum.

WHEREAS, the parties hereto desire to set forth their rights, responsibilities and duties as to all of those joint assets used in the historic portion of the Nevada Northern Railway, which runs from McGill, Nevada, to Ruth, Nevada.

WHEREAS, the parties are also joint owners of certain assets located north of McGill Junction, Nevada, which have not been used by the parties as part of the historic railway museum.

WHEREAS, the parties do not desire for this Agreement to pertain to any of the assets the parties own north of McGill Junction, Nevada.

NOW, THEREFORE, the parties agree as follows:

1. **Purpose.** The purpose of this Agreement is to delineate the rights and obligations of the Foundation and the City with respect to those assets jointly owned by the parties in the historic portion of the Nevada Northern Railway and certain assets jointly used by the parties in the historic portion of the Nevada Northern Railway. The historic portion of the railroad is defined as the track between McGill Junction MP 128 to Keystone Junction MP 146.5, the Hiline MP H0 to MP H8.5 including the Adverse Wye and the McGill Branch from MP M0 to MP M2.5, including the East Ely Yard and the McGill Station Grounds as defined in the deeds from Kennecott. For the avoidance of doubt, this Agreement does not pertain to any of those assets jointly owned by the parties north of McGill Junction, Nevada.
2. **Jointly Held Assets.** Exhibit A to this Agreement describes all of the jointly owned assets that are the subject of this Agreement and Exhibit B describes those assets that may not be jointly owned but which are jointly used by the parties and are, therefore, also the subject of this

Agreement (each jointly owned or jointly used asset, individually, a “**Joint Asset**” and collectively, the “**Joint Assets**”), which are incorporated herein by reference. Unless the parties to this Agreement mutually agree otherwise, the provisions contained in this Agreement shall not change the ownership interests of the parties in any Joint Asset or other asset. During the term of this Agreement, the parties agree that **Exhibit A** and **Exhibit B** are to be amended from time to time to reflect any Joint Assets that are (i) transferred, sold, gifted or otherwise disposed of by the parties hereto, or (ii) purchased or acquired by the parties hereto.

**3. Rights and Obligations of the Parties.** The intent of this section and in general this Agreement is to specifically delineate the parties’ obligations and rights with respect to the Joint Assets. To the extent any obligation or right is not specifically afforded to the City per the terms of this Agreement, that obligation or right is reserved to the Foundation. The parties will each have the following rights and obligations:

**a. Foundation.**

i. The Foundation, through its President or appointed designee, shall report at least monthly to the City on the Foundation’s monthly operations. This report shall be done, to the extent possible, at the first public meeting of the City for each calendar month.

ii. The Foundation shall not encumber, sell, convey, gift, or otherwise transfer any Joint Asset without first obtaining the prior approval of the City. The parties hereto agree that any sale, conveyance, gift, or other transfer of the City’s ownership interest in a Joint Asset, and any approvals of the City relating thereto, will be made only after compliance with applicable law, including, without limitation, Chapter 268 of the Nevada Revised Statutes, as determined by the City in the City’s sole and absolute discretion.

iii. The Foundation shall at no time (a) incur total indebtedness in excess of five-hundred thousand dollars (\$500,000.00), including indebtedness due under the Foundation’s line of credit (the “\$500,000 Limitation”), or (b) draw against its existing line of credit if such draw would increase the Foundation’s indebtedness thereunder to an amount in excess of one hundred thousand dollars (\$100,000.00) (the “Line of Credit Limitation”), without first obtaining the City’s approval. Furthermore, except as provided in the succeeding sentence, the Foundation shall not, in a single occurrence, increase the Foundation’s total indebtedness by fifty-thousand dollars (\$50,000.00) without first obtaining the City’s approval. However, the Foundation shall have the right to draw against its existing line of credit (including a draw that equals or exceeds fifty thousand dollars (\$50,000.00)), without obtaining the City’s prior approval, unless such draw would cause the Foundation’s indebtedness under its line of credit to exceed either the Line of Credit Limitation or the \$500,000 Limitation. As used in this Section 3.a, the term “indebtedness” shall not include any indebtedness incurred by the Foundation, if (a) the indebtedness is incurred as a result of the Foundation having received a grant from a third party, (b) the indebtedness is secured by the proceeds of such grant, and (c) the indebtedness does not exceed the proceeds of such grant.

iv. The Foundation shall manage and maintain the Joint Assets as part of the historical railway museum, all in furtherance of and consistent with the Foundation's exempt purposes set forth in its organizational documents.

v. Except as otherwise provided for in this Agreement, or unless the parties agree otherwise, the Foundation shall be liable for all expenses relating to the management and maintenance of the Joint Assets, including, without limitation, expenses pertaining to the normal maintenance and upkeep of the Joint Assets, and any capital expenditures made with respect to the Joint Assets, such as substantial improvements or restorations to the Joint Assets. For the avoidance of doubt, the parties hereto agree that the Foundation shall be solely responsible for all expenses and capital expenditures pertaining to the railway crossings affecting the historical component of the rail line, which are to include, without limitation, those expenditures and capital improvements set forth in the Nevada Department of Transportation report of the Nevada Northern Railway Public Crossing Safety Project, dated November 25, 2015, for that portion of the report discussing the historical component of the rail line, together with sign maintenance and pavement marking maintenance at these railway crossings. Nothing in this Section 3.a.(v) is intended to prohibit the City from making monetary contributions to assist in the maintenance of the Joint Assets.

vi. Except as hereafter provided, the Foundation is to have the right to retain all operating revenues derived from the Joint Assets and the Foundation's operations, and any gifts, contributions, or grants received by the Foundation shall be retained by the Foundation and shall be the sole property of the Foundation. Notwithstanding anything in the preceding sentence to the contrary, the net proceeds received by the Foundation from the sale of a Joint Asset, where such sale has been approved by the parties hereto, is to be distributed to the Foundation and the City in accordance with their respective ownership interests in the Joint Asset being sold; provided, however, that the City or the Foundation, as the case may be, may authorize the other party to retain all or any portion of the net sale proceeds derived from the sale of a Joint Asset.

**b. City.**

i. The City shall continue to maintain through premium payments a policy of insurance for the Foundation consistent with that previously provided by the City for the Foundation's behalf with similar coverages and provisions as in effect as of the date of this Agreement. As of the date of this Agreement, the City maintains a policy of insurance through Nevada Pool/PACT. The cost of such policy or policies shall be at the sole cost and expense of the City.

ii. The City shall continue to include the Foundation in its annual audit performed by an appropriate auditor chosen by the City. This means that the City shall pay for and perform an annual audit of the Foundation in connection with the annual audit of the City due to the joint ownership of the assets contemplated by this Agreement. This shall be done at no cost to the Foundation. The audit period for the Foundation must be a calendar year. The Foundation has the right to use the audit for any purpose the Foundation desires, including, but not limited to, fundraising.

iii. Upon the request of the Foundation, the City shall provide the Foundation with legal counsel at no cost to the Foundation; provided, however, that the City may refuse to provide legal counsel to the Foundation if the City reasonably believes that doing so would create a conflict of interest under the Nevada Rules of Professional Conduct. The Foundation has the right to use its own legal counsel at any time for any reason in the Foundation's sole and absolute discretion. The Foundation shall be solely and absolutely liable for the costs of its own legal counsel.

iv. The City shall not encumber, sell, convey, gift, or otherwise transfer any Joint Asset without the Foundation's approval. The parties hereto agree that any sale, conveyance, gift, or other transfer of the City's ownership interest in a Joint Asset, and any approvals of the City relating thereto, will be made only after compliance with applicable law, including, without limitation, Chapter 268 of the Nevada Revised Statutes, as determined by the City in the City's sole and absolute discretion.

v. Unless the parties agree otherwise, the City shall not be liable for any expenses related to the Foundation's operations or maintenance of the Joint Assets. For the avoidance of doubt, the parties hereto agree that the City shall not be liable for any expenses and capital expenditures pertaining to the railway crossings affecting the historical component of the rail line, including, without limitation, those expenditures and capital improvements set forth in the Nevada Department of Transportation report of the Nevada Northern Railway Public Crossing Safety Project, dated November 25, 2015, for that portion of the report discussing the historical component of the rail line, together with sign maintenance and pavement marking maintenance at these railway crossings.

vi. The City shall have no right to any revenues pertaining to the operation of the Joint Assets or any gifts, contributions and grants made to the Foundation. However, if a Joint Asset is sold after obtaining the approval of both the City and the Foundation, and unless the parties agree otherwise, the net proceeds from the sale of such Joint Asset is to be distributed pursuant to the provisions of Section 3.a.(vi) above.

vii. The City shall have the right to inspect the books and records of the Foundation on reasonable terms and at reasonable times and places upon reasonable notice to the Foundation. For purposes of inspecting financial records, reasonable shall be defined as during working hours on days the Foundation is open for business. For purposes of this provision pertaining to copies, reasonable means at least a minimum of notice in hard copy writing, and not electronic form, personally delivered from the City to the President or Chairman of the Board of the Foundation (or, if the President and Chairman of the Board are unavailable, to the person designated by the President or the Chairman of the Board) with at least two (2) full business days advance notice of any request to copy. Such notice of request for copies must also, at a minimum, specify the records to be copied. To the extent the gathering and production of the requested records is not feasible within two (2) business days, the Foundation's President or Chairman of the Board shall respond in writing (in the same manner as the notice was delivered to the President or the Chairman of the Board) to the City before 5.00 p.m. on the end of the second full business day following receipt of the written request. Such written response shall specify the reason for the inability to gather and produce the requested records and shall set forth

the timeline for such gathering and production. Unless otherwise required by law, the information obtained during any inspection or copies shall be considered confidential, private and shall not be disclosed.

c. **Resolution of Operational Issues.** Notwithstanding anything contained in Sections 3.a. and 3.b. above, if the parties disagree about a material operational concern regarding a Joint Asset, the parties shall first meet in a joint session in good faith to attempt to resolve the material operational issue. If the parties are unable to resolve the material operation issue, the parties shall submit the issue for resolution pursuant to Section 6 of this Agreement.

4. **Meetings.** The parties shall meet at least one (1) time per calendar year to discuss this Agreement, the Joint Assets, and their relationship. Such meeting shall be conducted in conformity with Nevada's Open Meeting Law.

5. **Transfers Upon Dissolution.**

a. **Foundation.** In the event the Foundation ceases to exist as an entity, the Foundation's interest in the Joint Assets shall pass to City, if it is then in existence, or if the City is not then in existence, to the City's successor in interest.

b. **City.**

i. **Voluntary Dissolution.** If the City voluntarily disincorporates pursuant to NRS §§ 265.110, 266.775, 266.780, or any applicable successor statute, and unless the applicable statutory provisions provide otherwise, then the City's interest in the Joint Assets shall pass to and be transferred to the Foundation.

ii. **Involuntary Dissolution.** If the City disincorporates for any reason other than a voluntary dissolution described above, the City's interest in the Joint Assets shall, to the extent allowed under applicable law, pass to any resulting unincorporated town organized under Chapter 269 of the Nevada Revised Statutes or such other governmental entity required therein.

6. **Conflict Resolution.**

a. **Mediation.** If any dispute or conflict (collectively, the "conflict") should arise under the terms of this Agreement, the parties to this Agreement shall certify any such conflict in writing to the other party. Upon receipt of such certification, the parties shall meet and confer upon the selection of a third-party mediator to resolve the issues presented by the certification of conflict. The parties shall endeavor in good faith to mutually agree upon the selection of such third-party mediator. In the event the parties cannot mutually agree on the selection of a third party mediator, each party shall submit to the other party a list of three acceptable third-party mediators on a date that is mutually agreed to at 9.00 a.m. on that day. To the extent those lists identify any of the same mediators, the parties shall select the first identical mediator using any additional identical mediators as alternative mediators. To the extent there are no identical mediators chosen, each Party shall designate a representative of its choosing to select a third party neutral mediator and the committee of such two persons shall meet to select a mediator.

- D. Exempt Status: All appointed officials, including deputies, if there be any, shall be considered to be "exempt" employees as that term is defined by the City personnel manual.
- E. Establishment Of Appointed Official Salaries: The range of compensation for appointed officials of the City shall be as follows: (Ord. 539, 12-21-1999)

7. We had another movie filmed here by a Mexican production company. The film title is Poderoso Victoria. In English that translates to Powerful Victoria. The story line is similar to ours in that the railroad is abandoned in a small town and the community brings the railroad back to life.

The film crew was here for a week and filmed at the railroad for four days. This was our second major production this year. This was very similar to the A T & T filming that was in February. There crew were here for a week too.

This is an area that could be developed that would have community wide impact.

Filming out at tunnel 1

Most of the filming was done down at the depot or in the shops.

For one of the scenes, the production company needed a goat. One of the employees of the railroad owns a goat and she graciously brought her goat for its film debut.
