**FROM: MIKE CRACRAFT
PUBLIC WORKS UPDATE**

- PUBLIC WORKS

1. Terrace Well pump and motor to be pulled by Tuesday, March 10, 2020.

- RECYCLING CENTER

Since February 26th, we have hauled two loads of recycling materials to Interwest Paper in Salt Lake: 1,248 lbs. of HDPE #2 natural plastics; 1,524 lbs. of PET #1 plastics; and 6,415 lbs. of aluminum; see attached February 2020 price sheet, along with 2-26-20 and 3-4-20 weight tickets. **Based on the last price sheet, we should receive \$74.88 for HDPE #2 plastic, \$30.48 for PET #1 plastics and \$1,924.50 for aluminum.** Due to the current low return on plastics and paper, I am recommending a temporary discontinuation on accepting these products at the Recycling Center; we would continue to accept aluminum and tin cans.
